

## FALL 2021 Reading Plan

### STRUCTURE

This reading plan is linked to our fall teaching series. Daily reading will include books that will be directly taught or referenced (eg. Revelation), as well as related biblical material (eg. Zechariah). You will typically read two or three chapters per day.

### PSALMS

One Psalm is listed each day for you to slowly pray through, making its words your own. Over the course of the year, you will have prayed through the book of Psalms 1.5 times

### VIDEOS

Each day you come to a new biblical book there will be a short animated video on The Bible Project website about that book's design and message and what to look for as you read. You can also sign up to have those videos emailed to your inbox. In addition, you will be linked to theme videos relating to several topics.

### READING IN COMMUNITY

Although this plan could be a solo endeavour, scripture reading is best done in community. This can take the shape of identifying a reading partner or engaging this plan as a Community Group. Either way, you are encouraged to meet with someone each week to discuss what you have been reading. The following questions can help you have open, honest conversations:

1. What stood out to you this week?
2. Was there anything confusing or troubling?
3. Did anything make you think differently about God?
4. How might this change the way we live?
