WHITE BARREL CHAIRS (4 PCS).

A pair of modern accent chairs featuring a rounded barrel-style back and soft, neutral upholstery. Their clean lines and curved silhouette make them versatile pieces that fit well in living rooms, offices, or reading nooks. Supported by sturdy wooden legs, they offer comfortable seating with a simple, contemporary look.

Mid-Century Tufted Accent Chairs (2 PCS).

A pair of mid-century–style lounge chairs featuring a boxy silhouette, button-tufted backs, and soft, worn-in leather. These chairs have a classic, low-profile design with straight arms and sturdy wooden legs. They show some wear, especially on the seat cushions, but still offer comfortable seating and a timeless look.

Rattan accent chairs

A pair of woven wicker armchairs with a classic, airy design and light seat cushions. These chairs offer a relaxed, casual look that works well in sunrooms, patios, or cozy indoor spaces. One chair has wear on the armrest, but both still provide comfortable seating and a charming, natural style.

Rattan two-seater

A woven wicker loveseat with a gently curved back and armrests, featuring a classic diamond-pattern design. It includes a light seat cushion for added comfort and offers a cozy, relaxed style that works well in sunrooms, patios, or casual indoor spaces. A charming piece with a timeless, natural look.

Wicker Coffee Table

A rectangular wicker coffee table with a classic woven design and rounded corners. Its sturdy construction and textured pattern give it a warm, natural look that pairs well with casual seating or sunroom furniture. A simple, functional piece that adds charm and versatility to any space.

Wooden Shelving Unit

A simple, medium-tone wooden shelving unit with adjustable shelf supports along both sides. It features a clean, rectangular frame with an open lower section and a partial back panel for added stability. A practical piece that works well for storage, organization, or as part of a larger shelving setup.
